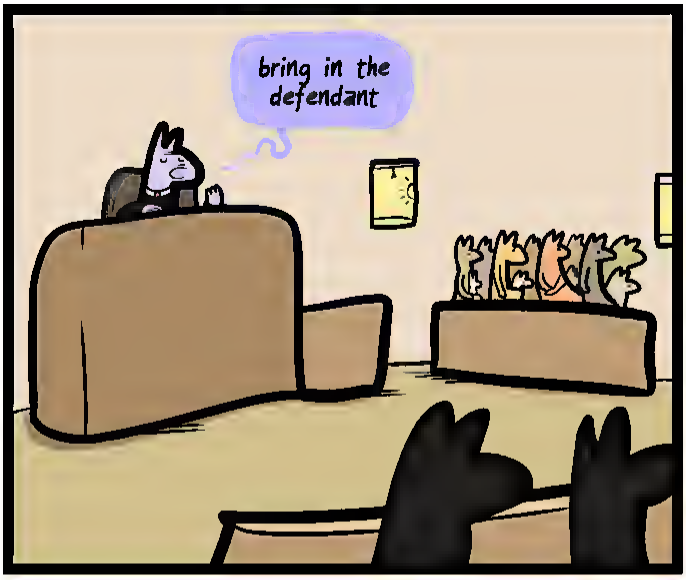
Kangaroo court



bring in the defendant

yuck
what the hell is that?
gasp

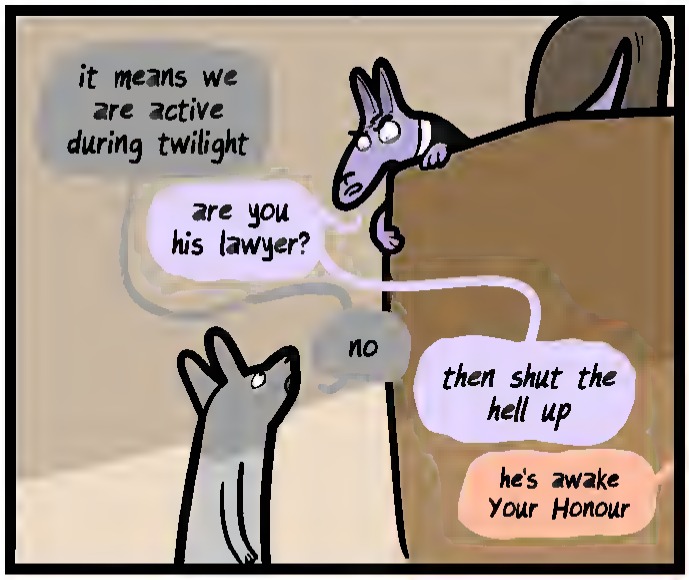
it's an aye aye, Your Honour
do you swear to tell the truth, the whole truth and nothing but the truth, so help you Roo?

Aye Aye swear
lol

ORDER IN THE COURT!!
PUK
PUK

Aye Aye, you have been accused of murder in the first degree
how do you plead?
ZZZzzz
the defendant is asleep, Your Honour
then wake him up
is that safe?
ZZZZZZ

the sun's still out and he's nocturnal
so are we, you idiot
OBJECTION!
on what grounds?
kangaroos are crepuscular
please approach the bench
Zzzz

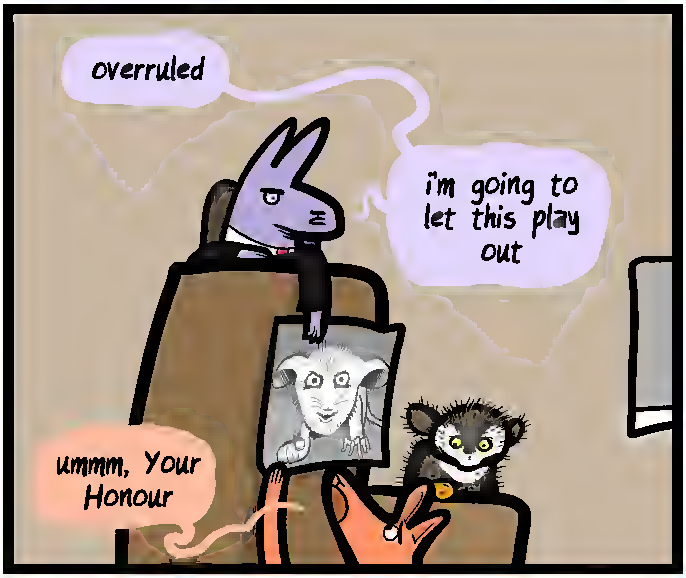


it means we are active during twilight
are you his lawyer?
no
then shut the hell up
he's awake Your Honour

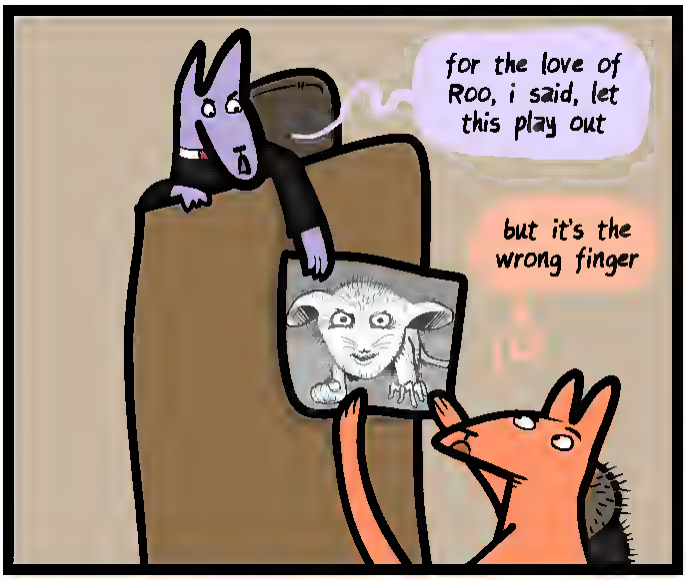
Aye Aye, the case against you is simple
an aye aye can kill someone merely by pointing a finger at them

and this image clearly shows you at the scene of the crime pointing at the deceased
where did we get this image?
it's an artist's impression, Your Honour
what kind of artist?
webcomic
OBJECTION!

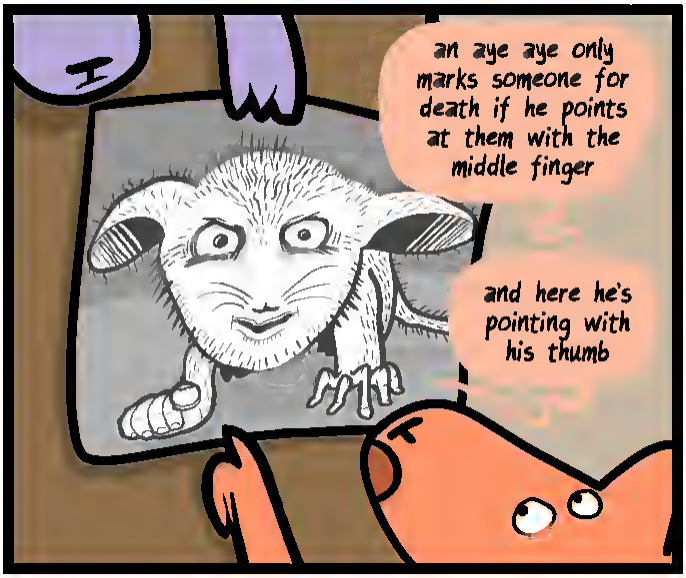
now what?
a webcomic isn't a real artist



overruled
i'm going to let this play out
ummm, Your Honour



for the love of Roo, i said, let this play out
but it's the wrong finger



an aye aye only marks someone for death if he points at them with the middle finger
and here he's pointing with his thumb

give me that

well, i'll be...
maybe webcomics aren't real artists

was this our only evidence?
yes, Your Honour

rip

has the jury reached a verdict?
we have

we find the defendant...
UGLY!
HA!

for the heinous crime of being ugly
i sentence the entire aye aye species to exile

take him away
